

251664384 **251658240** Free Snow Carving Workshops

Wednesday evening class series for anyone interested in learning about the hobby of snow carving.

Introduction to Snow Carving - January 20

251661312 Slide presentation of snow sculptures, show-n-tell of tools, and time for questions. All are welcome to come find out more about this unique medium. If it sparks your creative interest come to the remaining classes.

Snow Sculpture Design - January 27

The second class will focus on transferring your ideas into something you can create in snow. It will include sketching/modeling your sculpture - please bring modeling clay (or Sculpey/potter's clay/Play Doh/Model Magic/homemade kid's clay) if you wish. Paper and pencils will be provided.

Hands On Snow - February 3

Packed snow and tools will be provided to explore carving away to create shape and shadow. Dress for being outdoors that evening, and wear your most water resistant gloves or mittens.

Dates: Wednesday evenings, January 20, 27 and February 3

Times: 6:00 - 7:30 pm

251659264 **Ages:** Individuals and Families with

participants 16 years of age and older (to carve) who love to play in the snow!

Where: Cummings Community Center

134 Congress Street, Suite 2, Portland, ME 04101

FMI: Please contact Karen Seymour at the Portland Recreation office.

251660288 207-756-8275 or kseymour@portlandmaine.gov.

Come enjoy these free classes and learn about a great opportunity to participate in Portland's first public snow sculpting event! February 11-13 in Deering Oaks Park during WinteRush.

Those attending the class series are welcome to carve for WinteRush and enjoy hands-on consultation with experienced snow sculptors also carving for the event. Peoples' Choice Award will be judged during WinteRush and announced at 2:30 pm, prior to the Festival's end.
